

Tauranga Airsoft Club
Hot Weapons agreement form

Tauranga Airsoft Club defines a Hot Weapon as one that, when chrono'd, is required to be fitted with either a Yellow, Orange or Red tag. These higher Joule weapons require a level of responsibility to operate safely and as such we stipulate that anyone wishing to run one of these weapons during games days meets the following criteria: The player has completed 12 games as a full member, running Green or Blue tagged weapons. The player has signed the acknowledgement below and passed through to the committee for approval.

1. I understand that if someone incurs an injury from my gun, that Tauranga Airsoft Club is not liable for my actions.
2. I also acknowledge that I must adhere to the Minimum Engagement Distances and must carry a blue tagged side arm for shots within my Minimum Engagement Distance.
3. I hereby acknowledge that by reading and signing this form that if I am to hurt someone with my high-powered airsoft rifle/gun that I may be removed from the field instantly without warning.
4. I acknowledge that I may forfeit my rights to play at any further games at Tauranga Airsoft Club if I am to disregard the Minimum Engagement Distances set by the club and/or inflict injuries upon others.
5. In accordance with the 3 strike rule, I acknowledge should I receive multiple breaches of Yellow, Orange or Red tag guidelines, that this application is void and I will be unable to run a high powered gun until this is resolved.

I _____ agree to the above terms and conditions.
